New Telephone Exchange At Lyman Planned For Near Future

Due to the continued growth and development of Gulfport and Harrison County, Southern Bell will build a new dial telephone central office in Lyman to supplement the present dial facility in the Gulfport office.

It was announced jointly today by Public Service Commissioner W. E. (Buck) Moore and F. J. Lundy, Southern Bell District Manager, Hattiesburg, that preliminary engineering is already underway and that actual construction of the new Lyman central office will begin in the third quarter of 1961, and will be placed in service during the fourth quarter of 1961.

Mr. Moore stated, "The new building, with the dial equipment will be constructed at an estimated cost of \$75,000. It will be designed to provide additional space for future growth. Subscribers served from the Lyman central office will enjoy the same advantages as those served from Gulfport exchange in that they will have toll free service to and from Gulfport, Biloxi, and Pass Christian."

Substantially all present telephone subscribers North of Bayou Bernard on and along Highway 49, and those on the Three Rivers Road, one-half mile or more North of the Deadeaux Road will be served from the Lyman exchange when the Lyman exchange is placed in operation over from the Gulfport central office to the Lyman central office; it will be necessary to change their telephone numbers.

An addition \$50,000 will be spent by Southern Bell on outside plant in the fourth quarter of 1961 to transfer some 400 existing subscribers from the Gulfport exchange to the Lyman exchange.

According to Lundy, the Lyman exchange is the first step in Southern Bell's plan to serve the entire North section of Harrison County. He stated, "Since the new exchange will provide facilities to telephone and two party services to new customers or existing customers that desire better classes of service, a representative will begin canvassing all existing and prospective customers in North Harrison County where telephone plant now exists around February 15, 1961."

The last step in the plan is to provide service to all new customers in North Harrison County where telephone plant does not

now exist and this will cost an additional \$100,000. Lundy said, "This part of the program is expected to be completed, in 1962. It is estimated that there are some 150 prospective new subscribers in areas North, East, and West of Lyman that we plan to serve. These areas include Lizonia, Saucier and Success."

Mr. Lundy also said, "The new all numerical numbering plan will be introduced to Lyman when the new exchange is placed in use. All Lyman telephone numbers will consist of 7 digits, the first three being 832."

NEWS FROM HANCOCK NORTH CENTRAL SCHOOL

A special meeting of the PTA of Hancock North Central School has been called for Tuesday, February 21, at 7:30 p.m. in the school cafeteria for the purpose of electing officers for the 1961-62 school year.

High School science students at Hancock North Central School heard an illustrated lecture on Microbiology on Thursday, January 9. The speaker was James R. Griggs, whose visit was sponsored by the Mississippi Academy of Science's High School Visitation Program. During his talk which stressed the relationship of microbiology to mankind, he showed actual cultures, as grown in a research laboratory, of yeast molds, bacteria, and bacterial virus.

Mr. Griggs, a native Mississippian from Clinton, is presently in charge of the microbiology laboratory at the University Medical Center at Jackson, and is also working on his Ph. D. at the University of Mississippi. He received his B. S. degree from Mississippi College and M. S. from the University of Wisconsin. Mr. Griggs who had also lectured to the students at Waynesboro, Ellissville, Beaumont, Purvis and Magnolia, was invited to Hancock North Central by Oren L. Seal, head of its science department.

Richard Lee of the Hancock North Central Beta Club delivered the invocation at the general assembly of the State convention in Jackson, Miss. on Saturday, February 11.

Other delegates from Hancock North Central were Carolyn Lander and Betty Alice Stewart.

Funeral Rites Held For Joseph C. Lee

Joseph C. Lee, 66, a native of Caesar, Miss., and a resident of Gulfport for the past 18 years, died Friday, February 10, at 8:50 A.M. at the Biloxi Veteran's Hospital.

Mr. Lee, a veteran of World War I, served in the Army infantry overseas and was a retired hospital attendant at the VA Hospital.

Survivors include his wife, Mrs. Cordelia Lee, Gulfport; one daughter, Mrs. Harry B. Price, and a granddaughter, Sharon Lee Price, Gulfport; two brothers, Ben F. Lee and Luther L. Lee, Picayune and three sisters, Mrs. Mary L. Nicasie, Mrs. Nancy Dossett and Mrs. Elizabeth Rester, Picayune.

Funeral services were held

from the McDonald Funeral

Home in Picayune Saturday morning with religious rites at 2 P.M. at the Union Baptist Church at Caesar. Interment was in Caesar Cemetery.

WINNER OF SUB-DISTRICT EIGHT B-BB BASKETBALL

St. Joseph Academy Gold Jay girls and Pass High boys were winners of the Sub-District Eight B-BB basketball titles Friday night at Pass Christian.

St. Joseph's defeated Pass Christian 51-46 and Pass High defeated St. John of Gulfport 49-47. Finalists in both brackets gained the right to participate in the overall District Eight B-BB tournament later this month.

Mary Jo Krieger led the scoring for the Gold Jays with 33 points. Henrietta Wescovitch made 24 points for Pass High.

Robert Bishop was high scorer for Pass High with 20 markers.

They were chaperoned by Miss Glenda Shaw.

Over 1400 students from Mississippi's high school Beta Clubs attended the convention. The students felt that they profited by the discussions at the two general assemblies and thoroughly enjoyed the banquet and dance on Saturday night. They also found time to do some extensive sightseeing in Jackson.

Richard Lee of the Hancock North Central Beta Club delivered the invocation at the general assembly of the State convention in Jackson, Miss. on Saturday, February 11.

Other delegates from Hancock North Central were Carolyn Lander and Betty Alice Stewart.

HOME AGENTS NOTES

MARIA P. HUGHES
Home Demonstration Agent

February Plentiful. Cabbage is the feature plentiful food for February. Other plentifuls are onions, rice, canned ripe olives, corn, corn products, peanuts, and peanut products and dry beans.

BLEACHING HINT

You'll get better results if you add liquid chlorine bleach after the clothes have been washed in detergent water from 3 to 5 minutes. The bleach has a tendency to counteract the agent in the detergent if added at the same time.

You may add bleach in the bead form at the same time as the detergent as it has a delayed action. The bead form bleach is slightly more expensive than the liquid form.

Don't add bleach to wash if you have iron in your water; if the clothes yellow and fix stains, it only increases the trouble.

Oxalic acid, which is poison to you, will remove iron stain from clothes.

SAFETY TIPS FOR BABY SITTERS

Parents place a tremendous trust in baby sitters when they leave them with their children. For the safety of the children and the sitters, be sure the sitters observe these safety tips.

Accept caring for children as an important job to be done safely.

Keep outside doors locked. Never open the door for strangers. Follow parent's instructions as given, doing such extra work as agreed upon. Answer the telephone courteously and take the message in writing. Eat only the food that has been left for them.

Have guests only if the parents agree. Stay awake and on the job they are hired to do. Leave the house in as good order as it was when they arrived.

GARDENING JOB

If you plan to grow plants for your garden in a seed box,

Many kinds of weeds, particularly wild onions, bitterweeds, give milk off flavor. Silage can cause serious flavor problems. Never feed silage immediately before or during milking. Feed it after the cows are milked.

Dirt equipment, dirty cows, dirty barnyards, manure are among the top offenders causing off-flavored milk.

Follow the "Three Cs"—keep milk cool, clean and covered. Remember, good tasting milk tastes like more!

WEED CONTROL

February is the month to spray for control of dock and thistle. One pound per acre of 2-4-D on young dock and thistle will kill them completely.

Watch the temperature and spray when it is above 60 degrees F. for best killing results.

Do not use 2-4-D on pasture

where red clover, crimson clover, vetch or winter peas are growing.

Mrs. Russell Blue Ribbon Winner at Slidell

Mrs. Dan Russell was a blue ribbon winner at the Ozone Camellia Show held at the Slidell Municipal Auditorium Saturday,

Feb. 4. Mrs. Russell's arrangement entered in class "A Patriotic Decoration" was a composition of red camellias and white stock in a blue bottle. Her entry in Gracious Hospitality Class won a red ribbon.

Mrs. Paul M. Miller's entry in the Class, entitled Quiet Reflection received honorable mention; Dr. W. C. Hava of Waveland received a special award ribbon for his Lettuce Sharaeder bloom.

EXCELLENT FILM BEING SHOWN

The American Legion is one of the sponsors of the excellent film "Communism on the Map" which forcefully and graphically depicts the spread of Communism since 1917 up to the present time and point out the methods used by the Communists that enabled them to complete the encirclement of our country. The kick-off showing of this film will be at the Murray High School Auditorium February 8th at 7:45 P.M. and Provine High School Auditorium February 9th at 7:30 P.M. The public is invited to see this film, free of charge.

**PROMISE**

The Saxons had a word for Spring. It was Lenten, shortened, in time, to Lent.

So the name Lent was given to that spring-time period of 40 fast days from Ash Wednesday until Easter.

Lent came to mean a time of penitence. And it is. But it is also a time of preparation, and of promise. For because Lent means Spring, it heralds good things to come. It forecasts the glorious message of Easter. It is the dawn of the most beautiful season of the year.

The bare branches of these trees will burst into bud and leaf with the touch of Spring. Our thoughts during Lent, our personal preparations, also will reach fruition when the 40 days are through.

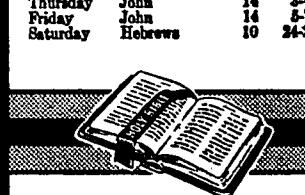

Lent is the time for prayer and self-examination. Make this Lenten season really mean something by seeking help and guidance at your church services.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Blind's Aids Child Polio Victim, She Dedicates Herself to Helping Blind

By ROBERT L. GUERNIN
Special to the Eagle

It was eyes to the blind.
Mary Jo Phillips, herself tormented after seven operations and three months in an iron lung, never forgot Job's words, "Kosciusko Memorial Hospital Brightens on a sunless physical there past summer." Since the night the blind touched Mary Jo deeply, she might want to try her hand at transcribing Braille.

Nothing interested her more. Mary Jo's fascination with learning to write for the sightless was healthy in two ways. Physically, the muscle strength of applying the Braille sloyd to the fiberboard strengthened her thin arms and fingers once paralyzed by polio. And spiritually, this labor of love for those even more terribly afflicted than she, expressed her gratitude to God at surviving her own ordeal.

The first words Mary Jo wrote in Braille, for the blind to read through their fingertips, were of the unhappy Job. The Old Testament patriarch was reminding the Lord of his own succor to those whose eyes had failed.

Mary Jo, who is 14 and has spent half of those years in hospitals, now is home with her overjoyed parents, Mr. and Mrs. George Phillips of Weyman, Mass., in her wheelchair. The child continues her plucky fight against the ravages of bulbar polio.

With \$2,000 in March of Dimes contributions, the National Foundation has brought Mary Jo along to the point where she can type slowly, write paint water colors, dress herself with just a little help, and even walk a few steps supported by her parents.

But above all, the little girl is devoted to her labors with Braille. When she completes the "bible" that is never far from her, "Standard English

Using special awl for writing in Braille, Mary Jo Phillips punches out text on fiberboard.

Braille in 20 Lessons" (she sleeps with it under her pillow). Mary Jo is planning to transcribe fairy tales and Mother Goose rhymes into the pointed-dot vocabulary of those who live in darkness. When four years hence her

home instructor gives Mary Jo her high school diploma, she plans thereafter to study the teaching of Braille to blind children. That will be Mary Jo's inspiring career, a lifetime of serving selflessly as "eyes to the blind."
